(the “Company”), parent company of Euro Disney Associés S.C.A., operator of Disneyland® Resort Paris, announced today the implementation of a 100 to 1 consolidation of shares, commonly referred to as a “Reverse Split”, as authorized by the Company’s shareholders.

Effective consolidation will take place on December 3, 2007 as set forth in the notice of consolidation, (“*Avis de Regroupement*”) which will be published on November 9, 2007 in the French “*Bulletin des Annonces Légales Obligatoires*”.

Shareholders holding allotments of shares divisible by 100 will automatically be attributed consolidated shares, without any action required on their part, from their Financial Intermediary⁽¹⁾.

Shareholders holding allotments of shares not divisible by 100 are responsible for contacting their Financial Intermediary either to purchase or sell the necessary number of shares to complete the consolidation. Shareholders will have two years to consolidate existing shares into new shares. The Company will pay the Financial Intermediary the transaction costs incurred up to an amount of €7 per shareholder for the purchase or sell orders placed within six weeks following the effective date, that is, until January 11, 2008.

Shares not exchanged for consolidation will remain listed on Eurolist with the ISIN code: FR0000125874 for six months, that is, until June 3, 2008. Following this date, shareholders wanting to purchase or sell such unconsolidated shares will be able to do so in the “Over The Counter” (OTC) market (*marché de gré à gré*) until December 3, 2009.

After December 3, 2009, consolidated shares that remain unclaimed will be sold on Euronext and the net proceeds of the sale will remain at the shareholder’s disposal for a period of 10 years in an escrow account opened in the name of the Company with BNP Paribas Securities Services. At the end of this period, the remaining proceeds will be transferred to the *Caisse des dépôts et consignations* and will remain at the Shareholder’s disposal in accordance with applicable regulations.

From December 3, 2007, the Company’s consolidated shares will be traded on Eurolist by Euronext Paris.
